

At times, it is not only the financial donations that make a difference but also the tangible gifts.

An item could be as small as bus tokens or gas cards covering transportation expenses for individuals and families or supply items for our infant, children youth, and senior programs.

The list below provides items that Wesley Community Center is in need of most during this time.

Our hope is that people in the community who see this list might be able to help meet these needs in some way. A list of suggested items are below, however, feel free to donate whatever you wish.

Sponsorships:

- Underwriter for youth field trips
- Full/partial sponsorship for a preschooler
